PROFESSIONAL SUMMARY

Fresh Graduate in Informatics Engineering from Universitas Muhammadiyah Malang with interests and competencies in Occupational Health and Safety (OHS), risk management, and disaster management. Holds a General OHS Expert Certification from the Ministry of Manpower (Kemnaker) and has experience in web-based information system development, disaster data management, and emergency response coordination through student organizations. Accustomed to working in a structured manner, handling administrative tasks and documentation, and supporting the implementation of occupational safety procedures in accordance with applicable standards.

WORK EXPERIENCE

MAHARESIGANA *September 2022 – August 2026*

Web Developer – Website Development & Maintenance | Full-Time

- Developed and maintained the organization's website interface using HTML, CSS, JavaScript, and React.js to ensure responsive display across various devices.
- Integrated Leaflet.js-based mapping features to support more informative presentation of disaster-prone area information and volunteer post locations.
- Conducted periodic testing and improvements to website features to maintain performance, accessibility, and user experience in accessing information.
- Coordinated with the content, design, and disaster program teams in the feature development process and updates to organizational website information.

MUHAMMADIYAH DISASTER MANAGEMENT CENTER (MDMC) *November 2022 – December 2022*

Disaster Information Data Volunteer | Full-Time

- Conducted community data collection for disaster-affected populations to support targeted aid distribution processes.
- Managed and updated volunteer personnel data stationed at posts to ensure availability of accurate operational information.
- Performed verification and recapitulation of affected victim data based on field data collection results and post reports.
- Supported the preparation of disaster data reports and coordination of information between field teams and the command center.

ORGANIZATIONAL EXPERIENCE

MAHARESIGANA, UNIVERSITAS MUHAMMADIYAH MALANG *2024 – 2026*

Coordinator, Emergency and Logistics Division

- Coordinated organizational logistics needs to effectively support disaster response activities, training, and member operations.
- Monitored the availability of emergency equipment and ensured readiness of tools used in field activities.
- Assisted in planning and conducting emergency response simulations and organizational member capacity-building activities.

PROJECTS

MAHARESIGANA UMM ORGANIZATION WEBSITE

Technologies: React.js, Tailwind CSS, JavaScript, Leaflet.js, REST API

- Developed a responsive organizational website interface to facilitate easy access to activity and disaster program information.
- Implemented digital mapping features to support the presentation of activity locations and disaster-prone area information.

EDUCATION

UNIVERSITAS MUHAMMADIYAH MALANG *January 2026*

Bachelor of Informatics Engineering | GPA: 3.72 / 4.00

Relevant courses: Information Systems, Software Engineering, Systems Analysis and Design, Database, IT Project Management, Human-Computer Interaction, Information System Security, and Web Programming.

SKILLS

Hard Skills: Occupational Health & Safety (OHS), HIRADC, Job Safety Analysis (JSA), Permit to Work (PTW), Safety Inspection, OHS Documentation, Basic Fire Fighting, First Aid, PPE Usage, Risk Management, Disaster Data Management.

Soft Skills: Communication, Teamwork, Leadership, Time Management, Problem Solving, Adaptability, Field Coordination, Attention to Detail, Administrative Management, Analytical Skills, Responsibility, Decision Making.

Software: Microsoft Office, HTML5, CSS3, JavaScript, React.js, Tailwind CSS, Git, GitHub, Firebase, Figma.

Languages: Indonesian (Native), English (Beginner).

CERTIFICATIONS

- General OHS Expert (Ahli K3 Umum) Kemnaker – PT Mutiara Mutu Sertifikasi (2026)
- Fire Safety & Basic Fire Fighting – PT Mutiara Mutu Sertifikasi (2026)
- Basic First Aid – PT Mutiara Mutu Sertifikasi (2026)
- Disaster-Safe Education Unit (SPAB) Facilitator – Maharesigana (2023)
- Cianjur Disaster Response – MDMC Pusat (2022)
- Psychological First Aid (PFA) – Maharesigana (2024)
